CENTRAL INTELLIGENCE AGENCY

50X1-HUM

| Cur- rent No | Bridge Designation No | Water Crossed | Location | Present Status | Planned Maintenance and Construction Work |
|--------------------|-----------------------------|------------------|--|--|--|
| 7. | LIO 20-5 | | Neisse River Zittau | The Polish guards prohibit any access to the bridge, which is probably intact. | |
| 8. | LIO 19-3 | | Neisse River Hirschfelde | Same as Neisse River bridge at Zittau | |
| 9. | LIO 18-8 | | Neisse River Ostritz | Destroyed | |
| 10. | LIIO 50-5 | | Neisse River Ostritz | Wooden foot bridge to the Ostritz railroad station. It is badly in need of repair. | The replacement of the planking is planned but the work cannot be done now since the Polish guards prohibit the repair work. |
| 11. | R6-S-51 | | Neisse River Goerlitz | Wooden bridge, which is being maintained by Land Saxony. | Repair work will be done if necessary. |
| 12. | | | Neisse River Hasenwerder near Goerlitz | Destroyed | |
| 13. | | | Neisse River Muskau | Destroyed | |
